

Scrapper Rules 2025

Any car, truck or van allowed

Must be 2 wheel drive, 4x4 must have one drive shaft removed.

All outside lights and glass and bumper covers must be removed.

Prefer the windows be removed, if not door windows should be rolled down and doors sealed as well as possible.

DOT approved tires only.

Working seatbelts and helmet mandatory.

Doors can be chained or welded shut.

Anything can be removed from the vehicle , nothing added unless approved.

Mandatory roll over bar!! Follow items are up to the driver: harness type seat belts, door plate or approved safety feature.

Enduro cars will be allowed but they have to be a legit Enduro car. NO racecars that have been turned into Enduro cars!

The races will be ran on a small oval track inside the main derby track.

Remember this is not a demo!

We know there will be a certain amount of contact, but anyone being too aggressive will be disqualified.
